Joel S. Ross, M.D.  
Memory Enhancement Center  
80 Pavilion Avenue  
Long Branch, New Jersey 07740

Dear Dr. Ross,

Since coming to the Memory Enhancement Center, I am very pleased with the caring, thoroughness and dedication to my wife's Alzheimer's Disease. I would highly recommend Dr. Ross' Memory Enhancement Center to anyone who is concerned about themselves or a loved one who has any concern about their memory.

Sincerely,  
Daniel
